Don’t want to read our website?
Here’s all of it on one page.

Honestly, you probably should’ve just asked AI. This is the next best thing. Tap anything below to go straight to it.

JDS1 Marketing helps contractors, entrepreneurial doctors and law firms get found on Google, Maps and AI search, and turns that into booked work. 93 businesses served since August 2022 · 36 websites built · 27 five-star Google reviews · client page-1 keywords 324 → 1,813.

START HERE: ONE-PAGE SUMMARIES

High-Performance Website

$6,500 flat · start for $250

A custom site built for speed, Google and AI. No page-count pricing. Designs in 24 hours, launch in as little as 2 weeks.
